

the cooking guy

Roses are red,
the holiday's here.
So guess what ur getting
for a present this year?

Maybe socks...a new sweater,
or even a duck?
Come on don't be dumb,
that crap would all suck.

The truth is your present
Is my **Sam Live** event.
A great night indeed,
with the money well spent.

I'll cook live on the stage
and I'll entertain too.
A night filled with fun
and some surprises for you.

So thank who this came from,
cuz my events are not cheap.
Be thankful and kind,
not a huge #&% creep.

Happy Holidays 2011
